Dear Sirs

RE: (The "Premises")

I confirm that I am the lawful owner of the items listed on the attached inventory (the "Items") and that the Items are my unencumbered property.

In consideration of the Landlords allowing me supervised access to the Premises to collect and take away the Items, I agree to indemnify the Landlords fully and effectually against all claims or demands which may be made against the Landlords (or in respect of any damages or costs incurred by the Landlords as a consequence of any such claims or demands) by anyone claiming ownership of, or some other interest in, the Items.

Yours faithfully
